

### REMARKS

Claims 1-24 were rejected in the office action under Section 103 as being unpatentable over U.S. 5,780,684. Claim 25 was found to be allowable as unobvious over the prior art.

The Applicants hereby cancel claim 1 without prejudice and with the intent to pursue the subject matter of that claim and other dependent claims in a divisional application. All of the dependent claims in this application have been amended to now be dependent upon claim 25 which has been indicated by the Examiner as being allowable. Therefore, the Applicants hereby respectfully request an early notice of allowance of claims 25 and 2-24.

Respectfully submitted,

EIT DRENT and  
RENADA H. VAN DER MADE
